OCEAN PLASTIC FORUM INTERNATIONAL BUSINESS2BUSINESS EVENT 2019

Pre-booked Business2Business meetings

December 5, 2019 from 13.00-17.00
DI, H.C. Andersens Boulevard 18, Copenhagen

Meet companies at your own choice!

– pre-booked Business2Business meetings

This is a network event dedicated to creating contacts to potential customers, suppliers and cooperative partners within the emerging ocean plastic industry. It is an alternative to traditional conferences where the right people can often be difficult to find.

At the event, participants have the opportunity to pre-book meetings with participating companies, thus maximizing efficiency. Participants include companies spanning all levels of the supply chain.

How the Business2Business event works

The purpose of the Business2Business event is to offer the frames for short personal meetings between your company and potential business partners. By joining the event you will be able to meet companies at your own choice. Each meeting lasts 15 minutes and you have the possibility to plan a maximum of 6 meetings.

Program

- 13.00 Lunch, networking, presentations and B2B introduction.
- 14.00 B2B match-making meetings – up to 6 meetings
- 16.00 Drinks and networking
- 17.00 The end

In order to join the event, please follow these 3 steps

- 1) Register online [here](#).
- 2) 3 weeks before the event you will receive information enabling you to view profiles of all participants and make meeting requests.
- 3) Prior to the event you will receive a time schedule informing you of the times of your meetings. Use this as your agenda during the Business2Business sessions.

» We've got a lot out of it, including enquiries from other companies. Now we need to follow up on these inquiries, but it is almost the same as a direct order. These inquiries are coming from companies which we haven't done businesses with before, so it's very interesting. «
