There is no planet B
1975
among the 1st to produce TPEs in EU
Dryflex TPE is born

1995
launched Biocomposite Cork Compounds: Lifocork

2000
Åmål certified to ISO 14001

2005
launched Dryflex PCW

2007
Åmål 1st EU TPE compounder awarded ISO 13485

2015
launched Biobased TPEs Dryflex Green

2016
switch to 100% renewable energy in Åmål

2017
HEXPOL Group signed UN Global Compact

2019
Dryflex Circular is coming
If you are also on a journey to be more Green, we’d love to connect

Klas Dannäs
Global R&D Manager
